DARCY BURNER

ISN'T READY FOR LEADERSHIP.

Darcy Burner missed critical votes on national and local issues. In fact Burner failed to vote in about half of the elections she was eligible to participate in from November 1998 to May 2006.¹

A negative campaigner, Darcy Burner likes to complain and criticize. But her complaints are hollow when she has failed to participate in the process.

Burner calls for change, but the first change she needs to make is to get serious about voting.

VOTE NO ON DARCY BURNER.

She Can't Be Trusted to Be There When We Need Her.
