I have voted and sealed this ballot in private and have not allowed any person to observe the marking of this ballot, except for those authorized to assist voters under state and Federal law. INSTRUCTIONS TO ELECTION OFFICIALS

This is an official Federal write-in absentee ballot authorized by 42 USC 1973 ff-2.

- 1. Upon receipt of this ballot you should examine the voter's declarations. If it appears that the voter is eligible to vote and has applied in a timely fashion for a regular state absentee ballot, then this ballot is valid unless you receive the voted regular absentee ballot in time for it to be counted. This ballot should be handled in the same manner as required by state law for other absentee ballots. If this ballot is to be counted, without examining the voter's choices, deposit the ballot in the ballot box.
2. The oath on this ballot is self-executing and need not be notarized or witnessed, unless required by state law.
3. This ballot should not be counted if:
a. It was submitted from within the United States (an APO/FPO address is outside the U.S.); or
b. This voter's application for a regular state absentee ballot was received by you less than 30 days prior to the election; or
c. This voter's completed regular state absentee ballot was received by you by the state deadline for receipt of absentee ballots; or
d. This ballot is not received by the state deadline for receipt of voted absentee ballots.
