Re: Your Tuesday, June 20, 2006 9:14 AM Public Disclosure Request

Dear Mr. Sharkansky:

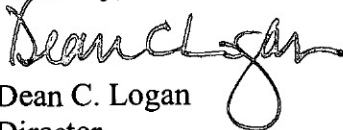

On Tuesday, June 20, 2006, Bobbie Egan, Communications Specialist of King County Records, Elections and Licensing Services, received a forwarded e-mail from Sandeep Kaushik from you. In your e-mail, you requested the following:

“Please consider this e-mail a public records request for all documents that comprise the plan to transition to a vote-by-mail system.”

RESPONSE:

We are responding on behalf of Records, Elections and Licensing Services and the Executive's Office. I have instructed my staff to commence gathering responsive documents. We anticipate that **by or before Friday, July 20, 2006**, we will contact you with the total copying charges for the documents. Several staff members that are part of the vote-by-mail planning team are out of the office throughout the month of July. Upon their return, we *may* have more documents after the estimated July 20 date. If we require more time, we will contact you.

Sincerely,

Dean C. Logan
Director
