King County Republicans Support Tebelius

Bellevue, WA – The King County Republican Central Committee (KCRCC) voted overwhelming last night to support Diane Tebelius for Washington State Republican Party (WSRP) Chairman.

The WSRP State Committee will hold a special election on January 28 to fill the unexpired term of former Chairman Chris Vance who resigned to pursue other interests.

“Our party is at a critical crossroads,” said Chairman Michael Young, “We need a Chairman who can hit the ground running, lead by example with fundraising and be an effective spokesperson. Our board believes Diane Tebelius can fill this role.”

Young continued, “Tebelius received strong support from the KCRCC leadership team because she has proven to be a grassroots powerhouse, a strong fundraiser and a woman with deep roots throughout the party – from donors to precinct committee officers. The King County Executive Committee believes that the WSRP would benefit from the leadership of Diane Tebelius.”
