Director, Records, Elections & Licensing  
King County Administration Bldg. - 553  
500 4<sup>th</sup> Avenue  
Seattle, WA 98104

Dear Director Logan:

Under RCW 42.17, I am requesting the following public records and would appreciate receiving these documents (as listed below) as soon as possible. The documents requested pertain to duplicate voter registrations (e.g. individuals who are registered to vote in King County with two or more distinct registration records and voter identification numbers).

Please send the following documents:

1. Any documents on the subject of duplicate registrations, including:
  - a. lists of identified and suspected duplicate registrations
  - b. reports with statistics on the numbers of known or suspected duplicate registrations
  - c. any documents that discuss policies, procedures and/or plans for removing duplicate registrations – going back three years.
2. Any documents on procedures for processing new voter registrations, including any older versions of since updated documents going back three years.
3. Any documents relating to incidents where individuals are suspected of submitting ballots under multiple registrations.

4. Screen shots of the DMS records, copies of the absentee ballot envelopes submitted in the November 2004 election and any other documents pertaining to the following registered voters:
