#### Absentee Ballot Return Statistics

#### September 19, 2006 Primary & Special Election

Return statistics are provided by King County Elections and are subject to change without notice. The information is a snapshot in time of variable data and is meant to provide an *unofficial* indication of returns. Minor fluctuations, including both increases and decreases in numbers, should be expected. These numbers are a courtesy to parties and jurisdictions interested in tracking races on a daily basis. These numbers are not reconciled and do not include challenged ballots and are not used to validate election results.
