Subject: Initiatives 24 and 25

As you know, petitions for Initiatives 24 (citizen councilor network) and 25 (elected county elections director) were filed in this office by the deadline established in the charter for possible submission to the voters at the November election.

There were 5,985 petitions filed for I-24 and 4,241 petitions filed for I-25. Through the diligent efforts of the staff in my office, we have reviewed all the petitions for alterations and by yesterday have sent all unaltered petitions to Elections for verification of signatures and possible certification. I will let you know when/if we receive certification of the required number of signatures to permit these initiatives to go forward.

For your information, the last date for the Council to take action on these petitions, either by adopting them, by placing them on the ballot or by placing the initiative and an alternate on the ballot, is September 21,

2007.

Please let me know if you have any questions or I can be of any assistance.
