2004 General Election

Polling Place	Precinct	Notes and/or Zero Out
Duvall Church	ALL	Inspector says he ran out of PB envelopes - so ran 26 ballots through accuvote - 4 other ballots have no identifying info other than precinct names. Breakdown for 30 ballots (26 plus 4) given info from provisional ballot pages: 13 voters registered in KC at other polling places (went to wrong poll site), 11 voters were at correct site (possible errors: they were in supplemental pages, voting absentee or clerical error - e.g. wrong book), 5 non-registered, given info available, 1 illegible. Could not determine any clear info for the 4 ballots w/o identifying info from provisional pages, due to number of total provisionals (115 total).
